WASHINGTON HIGH SCHOOL BAND TO PLAY IN CONTEST

April 26th Is Date Set
For Statewide
Competition

Washington Union High school band, a group of 110 student players, will go to Sacramento Saturday, April 26, to contest for the state championship. A special train, which is to leave Niles Friday at four P. M. will transport the students. Funds are being raised by the towns in Washington township, and by various plays and card parties given by interested groups.

Committees to raise the quotas for the towns were appointed and the chairmen are named as follows:

Niles—Reverend E. C. Brinkmeyer.
Centerville—C. H. Waterbury.
Warm Springs—Mrs. E. Antron.
Irvington—E. E. Carroll.
Mission San Jose—J. B. Vasconcellos.
Alviso—A. A. Bettencourt.

Sending the school band, the largest of its kind in the state, to Sacramento is believed by the majority of people of the township to be a good form of advertisement. J. Kimber, instructor of the band, has spent a good deal of time and effort in teaching the students, and now they stand a very good chance of winning the championship. If this comes to pass the citizens of Washington township may well be proud of the boys and girls. They are commended for the sincere effort they have made in devoting time and study to their music. Results of this can be heard in their rendition of music that ordinarily would be beyond the scope of their accomplishments.

When these students enter into the competition they not only contest for honors for their school but for the township as a whole. Therefore they deserve the hearty support of all, and are grateful to those who are devoting their time and endeavors in aiding them to attain their goal, which is the amount of money necessary to pay transportation to Sacramento.

WATCH US GROW

Among the new subscribers added to the lists of the Register during the past week are as follows:

Mrs. Rosalie Donovan, R. F. D., Niles.
J. S. Macul, R. F. D. Niles.
Mrs. Julia Gonsalves, Warm Springs.
David Janeiro, Decoto.
Niles Cleaners and Dyers.

Ed. Austin was a visitor in San Francisco, Sunday.

MANY BOY SCOUTS ARE HONORED AT COURT APRIL 15TH

Scout Movement Shows
Great Progress In This
Township

Court of Honor for Boy Scouts of America, members of the troops of Washington township, was held Tuesday night, April 15, in Centerville. Following are the names of scouts and awards they received: Melvin Farmer and Jack Townsend, of Niles, merit badges for carpentry; Phillip Souza, of Centerville, civics merit badge; George Frontz and Lawrence Pine, of Niles, merit badges for cooking; Phillip Souza, of Centerville, path-finding merit badge. Those receiving badges for personal health were Harry Cesari, Morgan Cesari, Jack Townsend, and George Frontz, of Niles. Marshall M. Green, scoutmaster of Niles troop No. 1, received a merit badge for photography.

Second class awards went to Ernest Perry, Arthur Feriala, John Cattaneo, Donald Oliver, and Gordon Justus, of Niles. Centerville scouts qualifying for second class were Samuro Mune, Lawrence Gronley, Frank Dusterberry, Clarence Oliveria, and Reginald Agua. Floyd Jury, also of Centerville, received a first class award.

This was the largest Court of Honor held for some time, and shows scout movement is progressing in Washington township. Centerville's troop was congratulated on the splendid showing made in the past month, having attained a membership list of twenty-five registered scouts. Officials expect that by the end of May the troop will have a full registered membership of thirty-two scouts.

Increased activities are also noticeable in the Newark Boy Scout troop. Several of its members attended the last Court of Honor in company with their assistant scoutmaster, Louis Ruschin, Jr.

DR. NOEL PORTER TO OFFICIATE SUNDAY

Independent Order of Odd Fellows, Niles chapter, will celebrate the 11th anniversary of the founding of the order by special services on Sunday, April 27, at 11 a. m., at St. James Episcopal church, Centerville.

Dr. Noel Porter, California arch-deacon, will be the main speaker. All those who are interested are cordially invited to the services.

A committee composed of Roy Rose and R. H. Hunt are perfecting plans for observation of this important day. Members of the local Rebekah lodge will participate in the services.

MANY PEOPLE AT CATHOLIC CHURCH EASTER SUNDAY

Age-old beautiful liturgical ceremonies of Holy Week were climaxed on Sunday, April 20, when the entire Catholic population of this community assembled in the Corpus Christi church Niles, to observe Easter.

Father W. J. MacDonald officiated at High Mass and spoke on the importance of "Resurrection in the Catholic system." Text was "Rejoice and exhalt for the Lord is truly risen."

Eight Holy Week services were held. Both Low and High Mass was featured. Confessions were heard from 3 to 6 and from 7 to 9 p. m. Saturday.

Los Angeles—Oil equipment and Engineering Exposition held here recently.

Local Men To Attend Dinner For Oakland Commerce Body

President L. E. Smith opened the meeting of Niles Chamber of Commerce, which was held as usual at the Florence restaurant Tuesday noon, April 22. In reference to a letter from the San Francisco Chronicle, seeking an appropriation for advertising in that paper's annual boost edition, it was voted that while such advertising would no doubt prove beneficial to the community, the cost would be too great a responsibility for the body to assume.

A letter from the Sixth District Agricultural Association regarding collection of specimens of the varieties of cherries for exhibition purposes, from the vicinity of Niles, was held over to be dealt with at the coming weekly meeting.

In reply to a request of the San Mateo Chamber of Commerce it was voted to endorse that body's project of interesting the highway commission in construction of a state highway from San Mateo to Half Moon Bay.

An invitation of the Oakland Chamber of Commerce for representatives to attend a dinner to be given April 30, at the Athens Athletic club, for the discussion of the new county court house movement, was accepted, and L. E. Smith, president, and J. E. Townsend, secretary, volunteered to attend as representatives of Niles Chamber of Commerce.

F. Vernon Jones reported on the progress being made by the committee in charge of arrangements for the annual Chamber of Commerce banquet, and he stated that final plans were made, and a committee meeting would be held within a few days to discuss the matter of invitations.

Mr. Jones suggested that as the committee in charge of plans for the extension of First street had served for an extended period, and as one member had been lost through death, the committee should be re-appointed or a new committee introduced. Following are the names of those appointed to the committee: F. Vernon Jones, chairman; Harvey Braun, and Dr. H. E. Morrison.

E. B. Hodges announced that the Southern Pacific Railroad Company had greatly reduced the fare for members of the Washington Union High school band who are to make the trip to the state championship competition in Sacramento, April 26, and that sufficient funds had been raised to assure the band that it would attend the contest.

R. A. Blacow was appointed membership chairman for the coming meeting. There was the usual good attendance at this meeting and in addition guests from San Francisco and Centerville were present.

LARGE CROWD AT PLAY BY NEWARK DRAMATIC CLUB

Actors Help Raise Funds
For Washington
School Band

A play, entitled "His Butler's Wife," was presented at Washington Union High school Monday night, April 21. Members of the Newark Dramatic club were the actors, under direction of Mrs. Eva Steinhoff. Two former presidents of Washington Union High school student body were in the cast; they were James Collins and Louis Ruschin, Jr.

Over 300 people were in the audience, and approximately \$150 were cleared. Money from this play will be used to benefit the High school band, which is to be sent to Sacramento, to contest for state championship.

Another benefit show is to be given Wednesday and Thursday at the Niles theater; money made from tickets sold by school students to go toward the band transportation fund. Tickets sold at the door of the theater will not benefit the students. "Salute," an all-talking picture is the main feature of the program.

Another means of raising money was the candy sale, sponsored by the Girls' League of Washington Union High school, and held Wednesday, April 23. Mrs. Josephine P. Morris, domestic science instructor, supervised the girls, and much time was spent in experimenting with new candy recipes. Many of these were put on exhibition in the office before the sale. It was expected that the sale would be a complete success, and reports stated that such was the case. As yet no definite report regarding amount of money cleared on the sale has been made.

Of the towns in Washington township that are striving to raise the amount of money necessary to send the school band to Sacramento, only four of them have made any definite headway. Alviso has completed its quota and turned it in already. Following are the names of the communities that have made a

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

SIT UP WITH BLACKSTONE!

TWO WEEKS AGO, in these columns, we expressed a desire to know what had become of Senator Christian, who misrepresents this district in the state senate. The result was as we expected. The man with the recently acquired Swedish name has been located and he is up to more deviltry.

What we have learned is partly good and partly tragic. Under the new re-apportionment act, limiting one state senator to each county, regardless of population, Mr. Christian passes from the senatorial picture after the next session of the legislature. Wonderful news! A man who has consistently stood for almost every piece of vicious legislation, while currying favor with organized greed—who has turned a deaf ear to the pleadings of humanity as couched in corrective legislation, his removal from the senate will be a distinct victory for good government. His presence in that body has cast an odium on the fair name of Alameda county, and created the opinion throughout the state that his official conduct reflected a caloused attitude in the people of this district.

So much for the good news. Now for the—well, not bad; just plain ridiculous yarn, though apparently true, that Mr. Christian aspires to become a member of the board of supervisors, and will attempt to succeed Charles W. Heyer of the second district.

Mr. Christian, a man who has the most utter contempt for the rights of those who are not rich in worldly goods, or who do not possess political or social power, as a member of the board of supervisors would bring to that body, in whatever degree he could, the same despotism that his progenitors escaped by fleeing from old Portugal.

Our advice to Hayward is to get right with itself, and shelve this flareback of feudal Europe. And our advice to Mr. Christ("ian") is to sit up nights with Blackstone, and learn enough about the law to make a living practicing his profession, and leave public office to men conscious of its obligations and sympathetic with the creed of humanity.

GUBERNATORIAL CONTEST

WITH MAYOR ROLPH, of San Francisco, an avowed candidate for the governorship, the situation seems to have upset all previous political calculations. Prior to Rolph's entrance into the contest, it seemed quite certain that Governor Young would win the nomination easily. Unless a public official has been guilty of unusually poor executive judgment, or has been corrupt, it seems customary for the American voter to honor that official with a second term. Young's administration, as everyone knows, has been free even of an insinuation of corruption. It has not been a strong administration, therefore it has antagonized few. The criticism that may correctly be uttered against the present state government is of what it has failed to do rather than of being unwise in what it has done.

Rolph is a spectacular figure in Northern California. His reputation is not unknown, also, in the south. A man of such unusual, charming personality that but a casual acquaintance makes one his partisan. For twenty years he has been the head of the San Francisco municipal government. His administration goes back to the reconstruction period of San Francisco following the earthquake and fire that laid that proud and gay city in ruins. "During the period when the civic, business and social life was suffering from disorganization," Rolph declares, in his announcement, "the program of reconstruction was carried on without the slightest suggestion of graft or breath of scandal, while San Francisco was and is enjoying the lowest tax rate of any metropolis in the United States."

That statement, if true, will have great weight with the voters. Taxation continues a major issue in every campaign, local, state and national. The cost of government is always felt to be oppressive, whatever the tax rate may be. But it is

Pomona—Building permits issued during recent week totaled \$29,735.

The Newark Register

By JULIA RUSCHIN

NEW HOMES BEING CONSTRUCTED IN TOWNSHIP

Newark's residential section is gradually increasing until it will stand a good chance of leading the other communities of the township in building construction. The latest new home to be started is that which will belong to R. O. Grace, member of the Morton Salt company staff. The house will stand on a two acre lot which he recently purchased, and which adjoins the Dillon property.

Construction has also been started in Centerville and Decoto. A new residence is being erected for Frank Freitas, of Centerville, on his ranch on the Santos road. Joe Caldera, of Decoto, is having a garage built on the Decoto highway.

Mr. and Mrs. John F. Silva are proud owners of a Packard club sedan.

Mr. and Mrs. Chester Buck spent Sunday in San Jose.

Mr. and Mrs. Ernest Frick were guests of honor at a dinner in San Jose, Sunday, given by Mrs. Frick's sister, Mrs. Correia.

Mr. and Mrs. J. Ruskofsky had as their guests on Easter Mr. and Mrs. Henry Ruskofsky, of San Francisco, John Ruskofsky, Mr. and Mrs. M. J. Douglass, and Julia Pigeon, Jr., of Oakland, and Harold Smith, of San Jose.

Carl Norwick spent Easter week visiting with friends in Truckee.

NEWARK MATRON RECENT HOSTESS AT LARGE PARTY

Mrs. H. Zahren, of Newark, entertained at a surprise party in honor of Mr. Zahren's birth day, recently. The evenings diversions were games and dancing, after which a delightful supper was served by the hostess.

Guests present were as follows: Mr. and Mrs. Paul Gyax, John Souza, Mr. and Mrs. Ed. Delaney, Mr. and Mrs. Anthony Silva, Mr. and Mrs. Arthur Brown, Henry Miller, James Miller, and Mrs. Camery, all of Newark. Others were Mr. and Mrs. Harvey Walker, of San Francisco, Mr. and Mrs. J. H. Pierce, of Oakland, Mr. and Mrs. Berryessa, of Mountain View, and Mr. and Mrs. A. Cornell, of Oakland.

Miss Elaine Boyce spent Easter vacation as a house guest of Miss Aileen Steinhoff.

Mr. and Mrs. S. C. Bettencourt and daughter, Lillian, of Hanford, spent the weekend as guests of Mrs. Mary Dutra and family.

Mr. and Mrs. Frank Sands, and sons, of Oakland, spent Easter Sunday at the home of Mrs. Ada Francis.

Thor Nordvick, of Oakland, spent Easter with his parents, Mr. and Mrs. J. Nordvick.

Miss Elsie Haley, of San Francisco, spent the week-end with her aunt, Mrs. Mary Flaherty.

Mr. and Mrs. James Steinhoff, and family, spent Easter Sunday at the home of Mr. and Mrs. Mervin Mento, of Oakland.

DIRECTORS NAMED FOR LIONS CLUB

Letham, Garatti, Greve and Smallwood Will Compose Board

PLEASANTON UNIT Livermore Merry-Makers Pep Session up With Short Program

Election of a board of directors constituted about the only item of business transacted by the Pleasanton Lions club at its meeting Tuesday evening at Ratti's Restaurant in that city. There was other business before the club, but business could not be transacted when there was a gang of entertainers such as reside in Livermore, in attendance at the meeting.

The board of directors elected is composed of C. Letham and Frank Garatti, who will serve two year terms, and A. W. Greve and Claude Smallwood, who will serve for one year.

The meeting was attended by sixty Lions from Pleasanton, Livermore, Hayward and Oakland. John Struble, president of the Oakland Lions club, delivered the principal address of the evening. His talk was devoted to Lionism and the making of valuable suggestions to the newly formed Lions club.

Ed Lawless, president of the Livermore Lions club, was another of the speakers. Lion Lawless began a talk on Lionism, but through the efforts of the Livermore racket-makers headed by Glen Smallcomb, he was sidetracked into telling about the Carnera-Chevalier fiasco in Oakland Monday night.

Everyone enjoyed Lawless' remarks and Pleasanton Lions expressed the hope that they may have the pleasure of hearing him again.

The members of Smallcomb's entertainment group did themselves great to the extent of interrupting all but one bit of business above mentioned. Their efforts consisted of what may be called singing in Livermore, but goes by another name in Pleasanton.

Everyone had a delightful time and the Pleasanton Lions after being taught the Lions Roar welcomed the merry-makers from Livermore and invited them again.

There is a friendly rivalry between Livermore and Pleasanton clubs over which organization will send the largest delegation to the fourth district meeting of Lions to be held in Stockton, this week.

WARM SPRINGS TO VOTE ON SCHOOL BOND ISSUE SOON

Citizens of Warm Springs are to vote on a \$39,500 bond issue on May 16, for the erection of a new Grammar school building, which will be one of the most modern in structure and equipment in Alameda county.

One thousand dollars will be the denomination of each bond with the exception of one, which will be of \$500. They bear five per cent interest and extend over a period of forty years.

Members of the board of trustees for this school were prompted to call this election after the growth of the community and the necessity for the school was brought to their attention. The question of the new school was thoroughly discussed with the townspeople, who agreed that an election should be held.

Trustees are Frank Gomes, Abreino F. Vargas and Joseph S. Brown. Officers who will be in charge of the election are Manuel Escobar, Jr., inspector; Frank J. Teal and John F. Breitwieser.

Pomona—Construction underway on new \$50,000 Presbyterian church school structure.

Personal Items

Robert Blacow, of Niles, recently purchased an Erskine sedan from the Rose garage.

The home of Supervisor Ralph Richmond, situated on Second street, is being redecorated and the outside is being repaired and repainted. Work is being done by A. Gronley, of Centerville.

C. W. Buell, telegrapher at the Western Pacific junction, Niles, was a visitor in San Francisco, Thursday.

Mrs. Norman H. Parks spent Monday in San Jose visiting friends.

Joseph Lucas, of the Rose City Wrecking Company, has improved sufficiently after his recent serious illness to return home from the hospital. His many friends are glad to learn of his recovery.

J. C. Stutzell, telegrapher at the Western Pacific junction, has returned to Sacramento after being employed in Niles for an extended period. His position is being taken by J. K. McNally.

Frank Ross, popular artist who broadcasts over radio station K Q W, San Jose, was in Niles, Monday.

DONS OF AMADOR MAKE LARGE SCORE AGAINST DANVILLE

Amador Valley Joint Union High school, Pleasanton, has a crack team this year which is going through the scheduled games, winning them with few errors and giving their opponents very few hits.

Last Friday the Danville High team came to Pleasanton for a return game and were mighty sorry they were up against such a team as the Dons. Coach Patterson started the game with his second string men, but due to so many errors, they were replaced

THOSE WHO KNOW GOOD FOOD

INSIST ON ICE REFRIGERATION

«and so does every thinking person»

Those who know good food demand that salads be fresh and crisp... that their color be natural and appetizing to the eye. A highly developed sense of taste immediately detects the flat taste of food which has been subject to moisture-robbing substitutes for ice refrigeration.

To people like this... there is no substitute for ice. They realize that delicate foods, such as lettuce, preserved in a circulation of clean, washed air remain fresh, crisp and green.

They know the value of a constant coldness (modern ice boxes maintain a temperature under 50°) and they know that all foodstuffs in their ice box are untainted and unchanged by any unpleasant odors or gases. They INSIST on ice.

With beautiful white enamel and pastel colored ice refrigerators selling in the modest price range of \$25 to \$65... there is no comparison between ice and chemical-electrical refrigeration either in cost or performance. Think! The first cost of a chemical—electrical refrigerator will pay your ice bills for twelve years.

Your own ice man will take in your old-fashioned ice box on a new scientifically designed refrigerator, with easy terms... and a generous trade-in allowance.

See your ice man and end your refrigeration problems today.

CALL 1530-30-5

ICE

Columbia University helped to design the modern ice refrigerators now being displayed by your ice man. They represent remarkable advances in construction, insulation and sanitation—and use surprisingly little ice.

The Obnoxious Billboard

NO BLOTS UPON THE LANDSCAPES so detract from their beauty as the large billboards now so common throughout the state. No objects of like size are so offensively obtrusive, for their commercial value is supposed to depend upon their conspicuousness and therefore they are rudely thrust before one's eyes close to the highway, too often at places of greatest natural beauty. It really seems that the well-balanced business man would recognize that this prostitution of our choicest landscapes is offensive to all who travel and would find more respectable and more acceptable means of advertising his wares. It is quite certain that if all billboards were removed business would not in the least suffer, and in this day of heavy motor car travel, the advertiser certainly offends more than he can possibly please.

Sporadic agitation against these ingeniously-placed disfigurements has occasionally been in evidence for many years, but the advertiser who now places his ear to the ground may hear the increasing roar of an oncoming troop of zealous workers who are thoroughly awake to the necessity of ridding our fair state of these blots which are the basis of more complaints from visiting tourists than any and all other material disfigurements that deface our world-famous natural scenery. Already municipal banishment is being visited upon the worst of these offenders and organizations of various kinds have taken the work in hand. Many improvement societies are listing the names of those who so advertise and are asking them to discontinue their patronage of billboards. Others are listing and refusing to buy from the offenders. No business can be promoted by improper means and the number of those who will not patronize billboard advertisers is growing rapidly and time, which levels all things, may be trusted, aided by organized effort, to bring about the reaction which will recall such advertisers to their senses. Less obtrusive methods of advertising will bring better results and our motorists will not longer be driven almost to distraction through the blotting out of views of our richest landscapes.—E. B. in The California Cultivator.

ICE CONSUMPTION TO INCREASE IN THIS YEAR OF 1930

Imagine a man-made mountain of ice, towering higher than Mount Whitney—a mountain of gleaming, glittering ice over three miles high! Or think of a huge glacier a thousand feet high, 40 feet thick—solid ice! That's what 61,000,000 tons of ice means—the amount produced by the American ice industry in 1929.

Put it another way and it means that 950 pounds of ice were made and used last year for each man, woman or child in the United States. Yet this tremendous tonnage grows year by year. Officers of the National Association of Ice Industries state that 1930 will be the biggest year yet, not only in the sale of ice but in the sale of refrigerators as well.

Home economists are steadily educating people to understand that ice is the best as well as the cheapest refrigerant—that to do without ice is an extravagance instead of an economy—that food spoiled in this way is often more than double the cost of ice. Lack

SEWER FARM PROVES MECCA FOR PICNICKERS

That Pleasanton's sewer farm is in the best of sanitary conditions was attested last Sunday when a picnic party selected the upper portion of the farm to spread their lunch.

This was an unusual sight for Pleasanton people to see a group of picnickers cavorting about the sewer farm and sitting about the repast spread upon the ground in the center of the tract.

This speaks well for the disposal work arranged by the Public Utilities committee of city council under the chairmanship of P. C. Madsen.

Antioch—Excavation underway building at corner of Seventh and H streets.

of proper refrigeration is a menace to health; as well, since germ life multiplies rapidly when food temperatures rise above 50 degrees.

SPICEST STORY OF MONTH FILM AT FOX OAKLAND

Artists and their models frolic through the hottest, spiciest story of the month in "Ladies of Leisure." Columbia all-talking picture opening Friday at the Fox Oakland theater, Oakland.

A racy series of reveries provides the background for a tale that penetrates into the very heart of Bohemia. And consider the cast! There's Ralph Graves, star of "Submarine" and "Flight," as a wealthy artist; Barbara Stanwyck, the girl with the perfect figure, who plays his lady light o' love; Marie Prevost, one of the most delightful of sophisticated comediennees, and Lowell Sherman, suave imperturbable man about town. Juliette Compton, George Fawcett, Johnnie Walker and Nancy O'Neill (who hails from Oakland) are other players.

Carrying out the artist motif is Fanchon and Marco's interesting "Changes" idea, a stage revue that features Doc Baker, world famous quick change artist; Art Hadley, lightning cartoonist, who draws eight popular cartoons before your eyes in a minute and a half; and Eva Mendell, the "Zeppelin of mirth and melody." Last but not least are the Sun-kist Beauties, who pose as artists' models and Hermie King and his band.

Leal Theatre Installs Equipment For Talkies

An announcement has been made that the Leal Theater, Irvington, will be equipped with apparatus for talking pictures, work on which is now under way, according to F. Leal, owner. The opening date is set for sometime in May.

IRVINGTON BALL PLAYERS DEFEAT SAN JOSE MOOSE

Members of the Irvington baseball team defeated the team of the San Jose Moose at a game played Sunday on the Irvington Grammar school grounds; score being 9-8. Reports were to the effect that the game was unusually exciting, being closely contested and players very evenly matched. Joe Blacow, of Irvington, was the star player, and introduced some exceptional and sensational performances.

Miss Josephine Humphrey and Edward Chadbourne attended a performance at the Orpheum theater in Oakland, Sunday.

Miss Mary Nunes and John Taylor were visitors in Oakland Saturday.

Mr. and Mrs. Louis Zwissig were visitors in San Francisco Sunday, and while there viewed the Army airplane maneuvers.

Mr. Joseph Rose, of Irvington, recently entertained Miss Rose Brazil; Miss Edith Granger; King Granger, and Alexander Rose, of Redwood City.

LOW FARES EAST MAY 22 ON ALL RAILROADS

but only Southern Pacific
offers this choice:

FOUR GREAT ROUTES EAST. Go one way, return another, and double the enjoyment of your trip. Even at these low fares you can, for example, go East over the OVERLAND ROUTE, direct across mid-continent, and return via the SUNSET ROUTE, through New Orleans and Los Angeles. Or, one way, enjoy the GOLDEN STATE ROUTE, Los Angeles-Chicago; the SHASTA ROUTE (slightly higher cost) through the Pacific Northwest.

On Southern Pacific you'll find through Pullmans to many more destinations than on any

Examples of low roundtrip fares from main line points, on sale May 22 to Sept. 30. Return limit Oct. 31:

ATLANTA	..	\$113.60
BOSTON	..	157.76
CHICAGO	..	90.30
CLEVELAND	..	112.86
DETROIT	..	109.92
KANSAS CITY	..	75.60
MEMPHIS	..	89.40
MINNEAPOLIS	..	91.90
NEW ORLEANS	..	89.40
NEW YORK CITY	..	151.70
WASHINGTON, D.C.	..	143.86

Through Northwest, slightly more

other railroad. You have 14 Great Trains to choose from. Extra-fare leaders, of course, but others with comfortable chair car or tourist sleeper accommodations that save you money. Your agent will gladly help you plan.

CENTERVILLE REGISTER

CENTERVILLE CALENDAR

(The Township Register is anxious to be of real service to its subscribers in Centerville. We shall be glad to publish all announcements, reports, etc., sent in to us or given to our representatives.)

April 24—Knights of Columbus meeting, Centerville.
April 27—Knights of Columbus baseball game, Hayward.
April 28—Centerville Athletic Club program and banquet.
May 2—May Day celebration, W. U. H. S., Centerville.
May 6—Washington Township Country Club meeting.
May 7—Debate between Hayward and Centerville high schools.

HALF OF MAIN STREET IN COMPLETELY CEMENTED

Paving of Main street, Centerville, is progressing as scheduled. Up to date all is completed except a portion on the north side of the Southern Pacific railroad tracks on west side of street, approximately 700 feet. By the middle of next week, William Brockett, resident engineer, estimates that concrete will be completed and laying of the asphaltic composition begun. This part of the construction should take about four days to reach a state of completion.

At present the completed area is an eighteen-foot strip of cement extending from Central avenue to the intersection of the Newark highway, on the east side of the street north and south of Southern Pacific railroad tracks.

St. James Guild Holds Meeting On Wednesday

St. James' Guild met at Mrs. Emerson's on Wednesday. There were twenty present. Lenten work was finished and some needed table covers for Memorial Hall started. Mrs. Mosher presented a beautiful silk quilt to the ladies to be sold for their benefit.

Miss Bashem visited the Attwoods this week.

CHAPTER MEMBERS ATTEND HAYWARD LUNCH APRIL 11th

Members of the Washington Union High school chapter of the Scholarship federation were guests of the Hayward High school chapter, Friday, April 11. A luncheon was given in their honor, and they were entertained with games, followed by a tour of the school grounds. Local students were highly pleased with the plant wherein the Hayward boys and girls are receiving their training.

Exceptional good fellowship was displayed in the interchange of courtesies between the students of the two schools. Keener rivalry than that existing between Hayward and Washington is very rarely found.

Those who made the trip to Hayward, accompanied by the chapter adviser, V. E. Solvason, are: Mary Lucas, president; Alice Sequeira, Ida Sequeira, Arlene Oliveira, Fern Garcia, Sumi Nakashima, Tsurue Sakaki, Keiko Koga, Pauline Evulch, and Mildred Durham.

CHEVROLET SALES INCREASING AT ROSE'S GARAGES

Rose Garage, Centerville, reports that several more new Chevrolet motor cars have been sold recently. Following are the names of those who purchased them:

K. Sekigahama, of Hayward, a club sedan; Matt Jorgensen, of Pleasanton, a coupe; B. Hirabayashi, a sport sedan; H. Y. Sakauye, Newark, delivery model; Manuel Gualarte, Alvarado, sedan; Sam Moreno, Centerville, delivery; S. Masuka, Centerville, a coupe; George Gourveia, Niles, a coach; G. Valez, Warm Springs, sedan; Frank Machado, a coupe, Warm Springs; Frank Costa, Centerville, sedan; F. C. Fong, Niles, touring car, and Myron Lorge, Centerville, a touring car.

Centerville—Paving of Main Street progressing rapidly.

Lloyd Easterly Jailed On Charge of Burglarizing Car

Lloyd Easterly, an employee of the Southern Pacific Railroad Company, was arraigned before Judge Allen G. Norris in the Centerville justice court April 15, on a charge of burglarizing a house car, belonging to the company, which was stationed near Newark. Easterly was held in the Alameda county jail, following arraignment, until Tuesday afternoon, April 22, when he again appeared before Judge Norris.

Complaint filed against Easterly in the sheriff's office was that of theft of clothing and baggage from the Southern Pacific house car, on March 29. Constables Thomas Silva and M. J. Bernardo reported the theft.

According to Easterly's statement the actual stealing was done by Refugio Roza, also a Southern Pacific employee, who has not been apprehended up to date. Report was that Easterly had received the stolen goods, and pawned them in an Oakland pawnshop, thereby becoming an accomplice.

Preliminary investigation has been instigated, and it is expected by officials that Roza will be in the hands of the law at an early date, as several important clues, indicating his whereabouts have been found. In the interim Easterly is reported being held in Oakland.

MANY ACTIVITIES SCHEDULED FOR LOCAL SCHOOLS

J. B. Hill Instigates New Mathematicians Track Meet

Recently a mathematical track meet was held by classes of Washington Union High school. J. B. Hill, head of the mathematics department, was its instigator. Several events were featured, among them the 220, 440, and 880-yard dash. Pupils making the highest scores were rewarded with Easter eggs. This meet was for both boys and girls. Following are the names of winners:

First Period
Toshie Tomemetsu, Elmo Grimmer, and a tied score by Richard Lemas and Robert Silva. Girls scoring were Ellen Mendonca, May Souza and Anne Furtado.

Third Period
Tatto Ushijima, Masao Baba, Vasco Salvadorini, Kiku Gawa, Irene Muniz, and Marie Pierce.

Final League Game
Final Alameda County Athletic league baseball game will be played this afternoon between teams of Washington Union High school and Emeryville High school. General belief at Washington is that the home team will win in a walk, as the batteries are exceptionally heavy, and even pitchers are showing unusual swatting propensities.

Four Big Events
May 2 is the date set for four important activities in school circles. On this day grammar school students of the township will be at the High school to celebrate May day. Second event of the day, is a baseball game; third is student assembly, with a program by the high school English classes, and fourth is the Junior-Senior prom which will take place in the evening.

Principals to Meet
Principals and athletic coaches of Livermore, Pleasanton, and Emeryville high schools are to meet at Washington Union High school with E. B. Hodges, principal, Monday, April 28, to organize a new athletic league.

FOUNDATION AND FRAMEWORK LAID FOR GYMNASIUM

Preliminary construction on the gymnasium of the Washington Union High school has been started with the placing of framework and foundation. Forty-eight thousand was the lowest bid, submitted by the Peterson building contractors, of San Leandro, and the contract was awarded to this firm. Members of the school board feel themselves to be very fortunate in being able to obtain the building at so reasonable a figure. Although it seems almost impossible that such a low bid should be made for a building of this kind, it is understandable due to the fact that this is the slack building season, and work is difficult for contractors to get.

Burge Clark, architect who drew the building plans, stated that it was like making a present of many thousands of dollars to the school district.

Students of the high school have been waiting long and patiently for this gymnasium, and it is with great excitement and anticipation that they view the first work being done on their cherished edifice. E. B. Hodges, principal of the school, is highly pleased also at the prospect of having a real gymnasium for the pupils. For a long time it was known that such a building was an actual necessity, for a healthy body is needed as well as a brilliant mind, and one does not go far without both. During the winter months students could not get proper gymnastic training on account of inclement weather. Exercise, of the right sort, is absolutely needed in order to be active mentally. The new gym will make it possible to pursue physical activities throughout the winter months regardless of atmospheric conditions.

Mr. Hodges stated that it was expected the gymnasium would be completely constructed by the middle of the summer season, if no unforeseen deterrents arise.

Mr. and Mrs. Bergstrom, Mrs. Kelly, and Miss Benson were also present.

CENTERVILLE TO CELEBRATE FINISH OF CITY PAVING

Weekly meeting of the Centerville Chamber of Commerce was held Thursday, April 17, at the El Lido cafe. President F. T. Dusterberry officiated in the chair.

Joseph Parker, of Oakland Chamber of Commerce, was present and gave a short speech, as did Lew Galbraith, a member of the Pacific Gas and Electric company staff.

Regular routine business was discussed, and in addition it was decided that a celebration should be given when the main street paving project reached completion; tentative plans for such being now under way.

Visitors from Niles present at this meeting were F. V. Jones, Harvey Braun, J. E. Townsend, and Al. Johnson; all being members of the Niles Chamber of Commerce.

Arrangements had been made to have Senator T. C. West present at the meeting of April 24, as guest speaker, but due to illness was forced to cancel his appointment. No other plans have been made to have a special speaker at this date.

Club Officers Give Luncheon On Tuesday

Retiring officers of the Child Welfare club, Centerville, were hostesses at a luncheon for the club members Tuesday, at the home of Mrs. F. T. Dusterberry. Retiring officers are Mrs. F. T. Dusterberry, Mrs. George Coit, and Mrs. W. L. McWirtter.

Dr. and Mrs. T. Hobby, of Palo Alto, were here Easter Sunday attending services.

SENIOR PLAY IS UNDER WAY AND PROMISES SUCCESS

Rehearsals for the Senior class play, "In a Mission Garden," are under way, and reports are that the students taking part are deeply interested in making this one of the most successful productions ever staged at the high school.

This play depicts life in early California, in the days of dons

and seductive senoritas; of allure and intrigue. Costumes and stage settings will faithfully carry out the illusion of the days of old, the days of gold, the days of '49. Miss Aubrey Nicely is directing the actors and actresses.

Mrs. R. Emerson entertained a few friends on Thursday at luncheon. They were to meet Mrs. Haskell, who was the guest of honor.

Invest in Dependability

A distinguishing feature of the Nash "400" is its dependability.

Nash engineers and Nash craftsmen have designed and built the car for permanence and long life. Only the finest of materials that money can buy are deemed good enough for Nash.

And Nash precision standards of manufacture are most exacting.

That is why the Nash "400" is such a sound investment. That is why it repays its purchase price more richly in finer performance, in greater comfort, and in longer dependability.

Nash quality standards of engineering and manufacturing are identical thruout the complete range of Twin-Ignition Eights, Twin-Ignition Sixes, and Single Sixes.

Read These Nash "400" Features

Centralized chassis lubrication, built-in, automatic radiator shutters, and the world's easiest steering in every model. Adjustable front seats. Steel spring covers with lifetime spring lubrication in the Twin-Ignition Eight and Twin-Ignition Six lines. The priceless protection at no extra cost of Duplate, non-shatterable plate glass in all doors, windows, and windshields thruout the Twin-Ignition Eight line. This glass is also available at slight extra cost in all other Nash cars.

CENTERVILLE NEWS

Baseball Season Started For Knights of Columbus

Baseball season for the Knights of Columbus team, of this community, is about to start and the first league game is to be played Sunday morning with the Hayward council team. Ernest Pementel, of Decoto, captains the home players.

Games will be played with other teams of councils throughout Alameda county, and it is expected that a great deal of keen competition will be the result.

CENTERVILLE NEWS

ST. JAMES CHURCH IS BEAUTIFUL ON EASTER SUNDAY

St. James' church was beautifully decorated with white flowers for Easter Sunday. On the Altar were Memorial lilies in memory of several who have gone before.

In the congregation were many friends of the past who never forget the little church, and return for special services. Mr. R. H. Hunt sang "Resurrection," as a solo.

Centerville Locals

Deputy District Attorney H. Stiles will be assigned to jury work in the superior court, and Walker Teeson will take his position in this district.

Judge Allen G. Norris, of the Centerville justice court, sat for Judge E. J. Tyrrell at police court No. 2 in Oakland, Monday afternoon.

Lorin Mohn, Kenneth Mohn, and Robert Charles, of Centerville, and Harold Wiseman, of Niles, recently went on a fishing trip to Santa Cruz.

Judge Allen G. Norris, F. T. Dusterberry, and C. N. Waterbury were guests at the Niles Chamber of Commerce luncheon, Tuesday.

Robert Charles, of Centerville, left Monday on a motor trip to Los Angeles, where he will visit his mother for a short time.

Mr. and Mrs. Forrest Bishop and family spent the week in Gridley, visiting Mr. and Mrs. Ray Ingram.

The United Artists held a meeting at Memorial Hall Tuesday night. Mrs. E. Watt, supreme instructor, and Mr. Johnson, field manager, and his wife, of Oakland, were also present.

NASH SALES

E. D. George, manager of the Centerville Nash company, reports two sales of Nash motor cars this week. They are as follows: A Nash eight cylinder Royal sedan, April 21, purchased by Mrs. Sarah Waldron, of Centerville; and a single six Royal sedan, purchased by John Abrue, of Decoto.

Mrs. W. E. Phillips, Mrs. H. M. Fields, of Sacramento, and Mrs. C. T. Fournier, of Niles, motored to Santa Cruz, Monday.

Watts—Contracts awarded by Board of Public Works for paving Grape and Hickory streets from Ninety-seventh to One Hundred and Second streets.

PUBLIC SCHOOLS WEEK OBSERVED BY LOCAL PLANTS

Public Schools week is to be observed by the grammar schools and the high school in Washington Township from April 21 to 25 inclusive. The week is being sponsored again by the Masons.

A public program was held in the auditorium of the high school last Wednesday evening. Stunts by the pupils and singing by the various grammar schools and glee clubs were features of the program. The orchestra and band under the direction of John Kimber also played.

Dr. Walter Crosby Eells, professor in the Stanford University, had been obtained as the speaker of the evening. He gave a talk for twenty minutes on an educational topic of interest.

Primarily, our schools today are trying to teach the great fundamentals of human living. These have always been the objective of education; but a changing and more modern world has forced upon us sharper necessities for efficient action and clearer thinking.

Character development, because character determines the nature of the impulse of the growing child; health and physical efficiency, because the training of children in healthful living is one of the most ancient of educational objectives; good citizenship, because it is important that our children learn the practice of good citizenship while still in school; training for the home life; vocational efficiency, by which it gives training in the handicrafts and practical arts; the worthy use of leisure, because without adequate recreational features no educational system could be possible in this newer day; and general mental efficiency, which means the ability to concentrate and to think clearly.

Throughout the general scheme of public schools week, by school exhibits, addresses, and other graphic presentations, these objectives are exemplified for the benefit of parents and the community at large for the better understanding of the educational principles underlying the modern training of our young men and women during the formative period of their lives.

CALIFORNIA WEEKLY INDUSTRIAL REVIEW

Sebastopol—Bids will be asked for \$22,000 sewage disposal plant to be constructed here this spring.

San Francisco—Italian National Building and Loan Association capitalized at \$500,000, filed articles of incorporation.

Marysville—Automobile show opened here recently.

Sonoma—New Chamber of Commerce organized here.

MORE ON Second Annual

Continued from Page one

real showing: Niles, leading; Irvington, second, and Centerville, a large portion of its quota raised.

Members of the band are enthused over the opportunity being given them to compete for the state championship; their chance to bring honor to their school and township. Therefore any endeavor to aid them in reaching Sacramento will be greatly appreciated. Southern Pacific railroad officials have been indeed generous in making a special rate for the students. Ordinarily one-way tickets to Sacramento cost \$3.10, but the special rate for the students, a roundtrip ticket, is to be \$2.30. Three other schools will send bands on this same special train. They will be from Watsonville, Salinas, and Livermore.

Many people have expressed a desire to know exactly who the 110 members of the Washington Union High school band are, therefore the following list of students are named:

Centerville
Tatto Ushijima, Carmello Cognina, Alfred Leal, Harry Fontes, Frank Furtado, Billie Dick, Clarence George, Eugene Bettencourt, Robert Silva, Richard Lemos, Jack Stevenson, Eugene Pebeller, Vincent Damico, Joseph Bernardo, and Joseph Ferry.

Alvarado
Daniel Nieto, Milton Munger, John Munger, John E. Silva, Louis Silva, Evan Orelli, Stanley Roderick, Morris DaVila, Walter Silva, Ruth All, Tony Rivers, Jimmy Perry, Bob Zeigler, Cipriano Diaz, and Joaquin Cordoba.

Alvarado News

by BERNICE BOYD

LOCAL GIRLS ARE EGG HUNT HOSTS OF SCHOOL GROUP

Miss Helen Baird and Bernice Boyd gave an Easter egg hunt for the members of the Presbyterian Sunday school last Saturday. The afternoon was spent playing games and hunting for Easter eggs.

Among those who were prize winners were:

Jean Decoto, Marcella May, Frederick Joyce and Sammie Dinsmore.

Refreshments were served by the hostesses.

Easter Egg Hunt Given At J. P. Boyd Home

Misses Willa Laplante and Joan Boyd gave an Easter egg hunt to a group of little friends on Friday, at the home of Mrs. J. P. Boyd.

After the hunt refreshments were served.

Those who attended were: Linda Jane Hellwig, Peggy Wasley, Barbara Jean Macial, Jimmy Wasley, Frederick Joyce, and Junior Springer.

Mrs. Jos. Logan entertained the members of the Alvarado Ladies' Aid Society at her home on Thursday. After a most delightful afternoon refreshments were served by the hostess.

Elmer Roe, of San Francisco, spent Easter Sunday with his sister, Mrs. Charles Baird, of Alvarado.

The Alvarado baseball team played the Alameda Elks baseball team at Lincoln Park, Alameda, last Sunday. Alameda team won by a score of 14-4.

School Band Gives Open Air Concert Saturday

Washington Township Union High School Band, under the direction of J. Kimber, gave an open-air concert in Alvarado Saturday evening.

A large crowd turned out to hear the band, which shows that they must be interested in having the band go to Sacramento to enter the state band contest.

BRIDGE CLUBS ENTERTAINED

Mrs. August May entertained the members of the Senior and Junior bridge clubs at a luncheon on Friday. Those who won prizes at bridge were Mrs. Jensen and Mrs. E. A. Richmond.

TRAVELING GAVLT

A large number of members of the Alvarado Lodge of Rebekahs attended a meeting at Berkeley, last Friday evening.

The object of this visit was to carry the traveling gavel to the Berkeley lodge.

S. L. Smith is painting and redecorating his property on Levee and "V" streets, Alvarado.

Miss Lois Flores, of Richmond, spent a few days of the Easter vacation with Miss Madelyn Avila.

Mrs. A. K. Logan spent the Easter vacation with her mother, in Petaluma.

Miss Jean Decoto, of Piedmont, spent Easter vacation with her aunt, Mrs. A. May, of Alvarado.

Mrs. A. Amaral entertained a large group of friends at dinner on Easter Sunday, at her home.

R. Richmond spent Easter Sunday at the home of Mr. and Mrs. E. A. Richmond.

CLOSE GAME IS TAKEN BY HIGH TEAM AT CERES

Dons Clout Out Victory by Four to One Score on Road Trip

Amador varsity, Pleasanton, travelled to Ceres Tuesday where they played a good game of ball with the high school team of that town and of course, came home with a four to one score.

The game was a hard fought grind, but due to the good team work the score was in Amador's favor. Julius Anselmo struckout eleven men and through the nine innings allowed only two hits. Both of these hits were made by Kimura, Ceres pitcher, who was out each time in trying to stretch the bingles for extra bases.

Amador played errorless ball and got five hits while the Ceres team had five errors to their discredit.

Everything went so well during the trip and the game that Coach Patterson, of the Pleasanton team are in hopes of returning next year and repeating, maybe making the score five to one instead of four—or maybe taking a defeat.

Amador has three games on its schedule for the week after Easter vacation. Tuesday, April 22, they play Hayward there; Thursday, April 24, Hayward here; and Friday, Heald's Business College on the home diamond.

Coach Patterson expects to use all of his players this week as he will need the best of them for the big game with Heald's Friday.

NEW GOODYEAR TIRE REAL BUY STATES DEALER

Ed. Rose Praises Product Sent Him by Rubber Manufacturer

"Thousands of car owners have felt the need of a tire of heavier average construction at a moderate price," says Ed. Rose, the Goodyear dealer in Pleasanton.

"For the requirements of those doing a lot of hard driving over rough and rutty roads, where the added security of extra plies is essential but where moderate price is likewise essential, the Goodyear Tire and Rubber Co., has developed a real Big Brother to its popular Pathfinder which has met with unanimous approval of the users demanding quality at popular prices," Rose said.

"This new line of genuine heavy duty six ply tire is heavier, huskier, finer in appearance, with extra mileage, and bears the name Heavy Duty Goodyear Pathfinder.

"This new product," concluded Rose, "is backed by the experience of the largest rubber company in the industry which has built more tires—millions more—than any other manufacturer."

T & D PRESENTS PICTURE FROM BANNED NOVEL

A year ago a book appeared on the shelves of sundry libraries. It bore the title "Ex-Wife." Fiction readers were electrified, the book became a sensation and moral crusaders saw fit to ban it from the public libraries. All of which is a preamble to the announcement that Metro-Goldwyn-Mayer has apparently slipped one over the censors. "Ex Wife" posing under the title "Divorcee" will open at the Fox T & D theatre Friday as an all-talking picture.

Lovely Norma Shearer has the role of Jerry, the lady who didn't care. For Jerry was a modern, faithful to the modern viewpoint. And when she learned of her husband's infidelity she played the game in a man's way.

Chester Morris plays the part of the young husband, Conrad

EIGHTEEN SCOUTS TO MAKE ALUM ROCK TRIP

Eighteen members of Niles Boy Scout troop, No. 1, under the leadership of Scoutmaster Marshall Green, and Assistant Scoutmaster Morrison Green, accompanied by members of the troop committee, will go to Alum Rock park, Saturday afternoon, to enjoy the swimming. Several of the younger boys have not as yet met the swimming requirements for first and second class ranks, and to enable them to do so will be the main purpose of the trip.

Before a scout can attain first class rank he must be able to swim at least fifty yards. Plans of troop officials are to have at least one swimming trip each month, during the season, to enable those of the troop who can not swim, to learn.

Several first class scouts will accompany the Centerville Boy Scout troop on an outing to Half Moon Bay Saturday and Sunday, May 3 and 4.

CALIFORNIA WEEKLY INDUSTRIAL REVIEW

Gridley—Gridley Pharmacy purchased new soda fountain equipment.

Martinez—Burned W. A. Ordway garage on Alhambra Avenue, will be rebuilt at once.

San Quentin—Plans announced for erection of new library at San Quentin Prison at cost of \$20,000.

Wilmington—Building permits issued in this city during the recent week totaled \$23,210.

Nagel heads the list of "other men".

"Ex Wife," naturally, is not a picture for children. It is entertainment, admittedly risqué, yet brilliantly produced and played.

SCREEN - GRID

Leadership
with
ATWATER KENT
RADIO

It didn't take people long to find out that the Screen-Grid radio developed by Atwater Kent was a mile ahead of the field.

How they're buying it! For weeks they kept our stock cleaned out, while the great Atwater Kent factory doubled its production trying to catch up with the universal demand.

Right now we have Atwater Kents for immediate delivery. Can't tell how long this will be true, but it's your good fortune that it is true now.

What do you say to a real honest-to-goodness demonstration? That's the way to prove that what others have told you about Atwater Kent radio will be true in your own home!

Come in today—look—listen—see what you think!

SUNOL

-- DEPARTMENT --

**MRS. L. KING IS
HOSTESS AT CLUB
LUNCHEON YESTERDAY**

Mrs. LeGrande King, of Sunol, was hostess at a club luncheon given at her home, Wednesday, April 23. The table was very artistically decorated, and the following people were in attendance: Mrs. W. W. Johnson, Mrs. J. B. Wiley, and Miss Daisy Wiley, of Berkeley; Mrs. George Salisbury, Mrs. Gale Smith, Mrs. Homer Razor, and Mrs. John Chitt, all of Oakland, and Mrs. Edgar Moon, of Los Angeles, and Mrs. M. K. List, a visitor from Illinois.

(Too late for last week)

**OPERETTA PROVES TO BE
REMARKABLE SUCCESS**

The Operetta "Princess Chrysanthemum" which was given by the pupils of the Sunol Glen school was played to a full house. Each and every one did exceptionally well and should be congratulated on their rendition of this play. It was by far the best ever put on in Sunol. Harry Tripp, music teacher and the teachers of the grades deserve a lot of credit for the way it was handled. The changing of the scenes was accomplished by the use of the various lights which was very effective.

The P. T. A. took care of the costumes and they were very pretty. The operetta was given under the auspices of the P. T. A. and all incidentals were taken care of by the organization.

Mr. and Mrs. James Owes and sons, of Pleasanton, spent Sunday at the home of Mr. and Mrs. Ralph Knight, of Sunol.

RETURNS HOME

Harry Harrison has returned to his home in Sunol after several weeks spent at the Oakland Hospital. He is recovering rapidly from his long illness and his many friends are glad to have him with them again and looking so well.

Miss Ruth Henry, of Berkeley, is spending the week at the home of Frances Buttner. Wednesday Miss Frances returned with her to spend the rest of the week.

Miss Edith Crespi came over from San Francisco to spend the week-end at the home of her mother and to attend the operetta given by the school, Friday.

Mrs. M. Andrews spent Monday and Tuesday in San Francisco on business.

Mr. and Mrs. H. A. Johnson and daughters took in the "Love Parade" at a Livermore theater, Monday.

Mr. and Mrs. Geo. Jordan, of Sunol, were Livermore visitors, Sunday.

Miss Francis Everly, of San Luis Obispo, is spending the week at the home of relatives in Sunol.

Lorin Buttner, Kelly Lee, and Harry Andrade attended the ball game at Ceres in which Amador High came home the victors.

Mr. and Mrs. H. C. Lamons and sons and Miss Adams are spending the vacation at Yosemite.

G. R. Calvert, district manager of Richmond, and Frank Humphert, manager of Hayward Exchange, both representing the Pacific Telephone and Telegraph Company, were in Sunol Tuesday on their tour of inspection.

J. Ferguson, of Livermore, was a business caller in Sunol Wednesday.

Mrs. L. Taylor, of Oakland, is spending the week with Mr. and Mrs. A. W. Ebricht.

Mrs. Blake, Mrs. Jack Silver and Mr. and Mrs. Joe Sivler motored to San Jose Tuesday on business.

The P. G. and E. is extending its power line to the Rooney ranch and is planning on supplying power to all the ranchers enroute that want it.

Mrs. Lyle McMillan was a Hayward visitor Monday.

Mrs. L. N. Buttner, of Oakland, spent Sunday visiting friends and relatives in Sunol.

Mrs. M. Andrews, Mrs. Brandstetter, Mrs. Frank Crespi, Mrs. Geo. Roraback and children were Pleasanton callers Monday evening.

Miss Mead, primary instructor of Oakland, spent Thursday afternoon visiting at the Sunol Glen school. While here she helped with the dress rehearsal for the operetta, "Princess Chrysanthemum".

Mr. Galvin, the Western Pacific foreman of Sunol, spent Saturday in San Francisco.

Mr. and Mrs. A. Henry, of Oakland spent Sunday at the George Buttner home.

Mr. and Mrs. Phillip Moore, of Niles, were Sunol visitors Thursday evening.

Mrs. C. B. Steane, of Pleasanton is making an extended visit at the home of her daughter, Mrs. Robert Ellis.

P. T. A. MEETING

The Sunol P. T. A. is planning on a social afternoon next Tuesday. There will be the installation of officers with Mrs. Rose Bulger, council president, as the installing officer. After the installation plans will be made for the May Day picnic and the graduating party which have become

an annual affair by the P. T. A. Lunch will be served after the the afternoon spent socially. All members of the organization have been cordially invited to attend on Tuesday at 2:30 p. m., April 22.

A. C. Day made a business trip to San Francisco Friday.

Gee Fong, of San Francisco, spent Tuesday visiting his friends at Pleasanton and on his way home stopped in Sunol for a short visit.

Mrs. Lee King, of Kilkare Woods, was an Oakland caller on Tuesday.

Mrs. A. C. Day spent Wednesday in Oakland on business.

Mrs. B. D. Peckam, of San Jose, was a visitor this week.

Lyle McMillan went to Oakland to see the ball game between the Oaks and Seattle, Tuesday.

Mrs. J. Basch and Dorothy and Howard are spending the week at the home of Mr. and Mrs. J. H. Rankin.

Mr. and Mrs. Ed Servos of Sunol, are the proud parents of a ten and one quarter pound son, born last week. Both the mother and son are doing nicely.

George Buttner spent Saturday in Oakland.

Mrs. John Pedri and daughter, Marie, were San Francisco visitors the first of the week.

Charles and Terrell Shores, of San Francisco, are spending the week at the home of Miss Molly Buttner. This being vacation they are enjoying the week in Sunol to the utmost.

Mrs. H. Wiekling and daughters of Piedmont, were in Sunol Friday to attend the operetta.

Mrs. C. C. Lucier spent the week-end with friends in San Francisco and while there took in the meeting of the Physical Research Society of which she is a member.

Mrs. P. G. Jacobus, Sr., and son, Guy, of Oakland, spent the week-end with friends in Sunol.

**DISRUPTED
SERVICE IS
REPAIRED**

**Storm Plays Havoc With
Lines In Pleasanton
And Valley**

Pleasanton was practically out of communication with the outside world for three hours Sunday as a result of the terrific wind and rain storm which struck this valley late Saturday and continued throughout the night and early morning hours.

Telephone poles and wires were blown down and for a time long distance service was completely interrupted. Pleasanton operators were unable to get through to Livermore, Hayward or Oakland until nearly noon Sunday. Hayward handles the long distance calls from Pleasanton, and even after communication was re-established with that city it was some time longer before the other cities could be raised.

Many of the telephones on the party lines throughout the valley which run out of the Pleasanton exchange were out of order and considerable damage done to the company's equipment in the rural sections.

Linesmen were called out as soon as the reports reached the trouble shooters that towns and villages up the valley could not be raised. Within three hours after the first call was received, service was re-established, according to the local operators.

While the lines are not in perfect shape by any means as the wind and rain kept up almost constantly Sunday, especially the high winds, it gave proof that the Pacific Telephone and Telegraph Company is ready to consider the interests of all its subscribers twenty-four hours a day.

**PLEASANTON
WINS FIRST
GAME 5 TO 1**

**Pitcher Holds Concord To
Only Two Safe
Base Hits**

POOR PLAYING WEATHER

**Opening Staged in Big League
Style, Parade
Speeches**

Baseball opened with a bang in Pleasanton last Sunday afternoon when the local Y. M. I. defeated the Concord representatives of that city's Y. M. I. to the tune of five to one. The season was opened in big league style with a parade, flag raising exercises and speeches.

While Pleasanton won five to one, the score should have been two to one as the Pleasanton boys were presented with three runs in the third inning by Mangini, Concord shortstop. Mangini apparently couldn't get going until late in the game and muffed almost every chance he had at field.

Pitching Great
The scorers were considerate of him or wanted to boost the home batting average for they only marked him up with two errors and credited the other miff in that fatal third inning as a hit.

The real feature of the game was the exhibition of pitching put up by Roetticher. This hurler allowed only two hits in nine innings, pitching seven hitless rounds. Only two men got on base until the eighth frame when the visitors scored their lone run. Humphrey started that inning by doubling to deep right. After the following batter was out on an infield grounder, Sheenan, a pinch hitter, poled out a long sacrifice and Humphrey scored. Levada garnered the other bingle in the first inning.

Roetticher, Florence and Grant scored in the third inning. Roetticher singled to start the inning off. He was advanced when Florence sent one through the fingers of the shortstop. Governor fled out. Grant singled, scoring Roetticher. Arnold fled out. Fugl put one past the Concord shortstop and Florence and Grant scored. Dutra ended the inning by flying out.

Garner Seven Hits
In the eighth inning Grant was safe when the right fielder dropped a long fly. Arnold advanced him with a single. They worked a delayed double steal, both men being safe. Fugl, who had clouted a double his previous time at bat, fanned. Dutra hammered out a long sacrifice, scoring Grant and Arnold. Mongolia ended it with an infield grounder. Pleasanton got seven hits and committed one error. Concord made but two hits and were charged with three errors.

Before the game got under way a large parade consisting of approximately 200 persons, walking and in some forty automobiles formed at the high school and paraded to the grammar school grounds where the game was played.

Leading the parade was the high school band augmented by several other well known Pleasanton musicians, including Will Hall and Cliff Rosa. Jack Bullene was drum major for the occasion.

Following the band marched the members of the Pleasanton team carrying a huge American flag. Members of the Concord team followed the locals.

Flag Is Raised
In the first car of the parade were Supervisor Ralph Richmond of Niles, and J. J. Amador, president of the Y. M. I. Next in order were members of the Y. M. I.

ROLAND BENDEL AT MEETING OF COUNTY FIREMEN

Roland Bendel, of the Decoto Fire department, attended a meeting, April 21, of the executive board of county firemen's association, in Oakland. Plans were outlined to reduce fire risks during the coming dry season. A proposal was made to start movement to procure a fire truck to be located at some central fire

station to answer alarms from territories not protected by other fire departments.

Also it was planned to have weeds and grass along the highways burned in localities where grain fires might be caused by careless incendiaries. Another proposal was that property owners be urged to clean up their premises at this time of year, in order to lessen fire hazards near their homes.

NEW AIRPLANE SERVICE IS SEEN IN NEAR FUTURE

Active cooperation of steamship, airplane and financial interests in the first All-American Zeppelin Airship Line, is seen in the list of additional directors of the Pacific Zeppelin Transport Company, released at Akron, Ohio, by P. W. Litchfield, chairman of the board, and released locally by Ed. Rose, Goodyear tire dealer in Niles.

The great American-owned steamship lines plying the Pacific are represented by R. Stanley Dollar, of the Dollar Lines, San Francisco; W. P. Roth, San Francisco, president of the Matson Navigation Company; and Edward P. Farley of the American Hawaiian Steamship Company. The airplane industry is represented by F. B. Rentschler, president of the United Aircraft and Transport

Editorial Comment

NORMAN H. PARKS, Publisher Register

(Continued from Page One)

not merely a chronic disorder in the taxpayer's mind that taxes are too high at the present time. For the real service we receive, possibly, the cost is not too great, but there is, however, a difference of opinion as to the extent to which the ramifications of state government should go. In recent years, those in power have gone to the extreme in commissions until now it seems the function of the state to pry into the most trivial private affairs of the people. A man can hardly kiss his wife without a permit from an hygienic or moral commissioner appointed by the governor. All this costs money.

This is not the fault of any one man, rather the reflection of the times—an indolent drifting with the tide. But it is a dangerous drifting. The current of countless commissions is carrying us away from democracy, and into a gradual acceptance of the principles of monarchical government. It is killing individualism, and making the state all-dominant.

The public, however indifferent it may appear on the surface, is growing weary of the burdensome cost of state government. A revolt is stirring itself within the citizen mind.

*** **

Among the gubernatorial candidates is there one who can seize this situation, crystallize this infant revolt, and make it a storm that will sweep him into control at Sacramento?

The Register does not know. A new political cycle is created slowly, but is created surely. The new period that the writer envisions may be afar off, and the present state of affairs may remain in status quo for another four years, or longer.

However uncertain as may be the present gubernatorial contest, and the relative merits of the contestants, the writer is watching and studying the methods and the past conduct of the major participants, with openmindedness. If any one of the several develops real statesmanship and shows courage to stand for true democratic principles, that candidate will have the support, however inconsequential it may be, of this journal.

Corporation; G. B. Grosvenor, of the Aviation Corporation; and Colonel E. A. Deads.

To these are added also Herbert Fleischaker of San Francisco, Kenneth R. Kingsbury, president of the Standard Oil Company of California, and Henry O'Melvary, attorney of Los Angeles. Additional directors may be named later.

"It is understood," says Rose, "that the new company contemplates the establishment of an airship line between the Pacific coast and the Orient, with initial operations to Hawaii until more ships

are available. A mooring mast would be used as a terminal in Hawaii, with a hangar on the west coast and probably one later in the Far East."

Airships of 6,500,000 cubic foot capacity, following the design lines of the two Navy ships now being built by the Goodyear Zeppelin Corporation at Akron, are contemplated for this service. They would be inflated with the noninflammable helium gas. The airships would make the run between the mainland and Hawaii in a day and a half, and four and a half days to Manila.
